## Judge differs with jury in 1st Betsy claim suit

### Court stays busy on civil docket

Eighteen default judgments were entered by Judge Leslie B. Grum on a heavy civil docket occupied the first week of the current term of Circuit Court.

Largest verdict was for \$18,818.52 plus six per cent interest against Jerry Louis and Mary Ellen Lenner in a suit brought by Margery and John L. Lenfant, III, over mortgage on a lounge and cabin in Clermont Harbor which were destroyed in Hurricane Betsy.

The judgments were:

Merchants Insurance Agency vs. R.J. Stephens, \$1,628.53; Southern Microfilm Corp. vs. A. Harrison Von Antz, \$830.30; Texaco, Inc., vs. Richard K. Homes, \$453.07; U.S. Rubber Co. vs. Jimmie B. Bonn, dba Truck Town, \$409.61; D.B.C. Finance Co. vs. Maceo Smith, \$409.61; Paine Supply Co. vs. Charleston Leader, \$574.87; Russell-Baker Finance vs. Anna Bell Beam, \$633.60; Coast Food Distributors, Inc., vs. J. O'Bannon, dba Truck Town, \$2,439.76 plus six per cent interest; Standard Oil Co. of Kentucky vs. Joseph Peterson, \$320.92; Swann Supply Co. vs. S.S. Rutherford, \$529.30; U.S. Employment Service Credit Union vs. Laurence A. Sauer, Jr., \$600; Humble Oil and Refining Co. vs. Walter L. Lawrence, \$466.35; Gulf Plumbing and Heating Co. vs. Paul Bourgeois, \$800.23; Continental Loan Co. vs. Clyde E. Page, \$356.72; Hancock Bank vs. Mr. and Mrs. Ronald Maurig, \$296.82 plus \$44.52 attorney's fees and six per cent interest; Russell-Baker Finance Co. vs. Wallace and Virginia Mae Haynes, \$319.20; and Mrs. Myrtle Morgan Jones vs. Mr. and Mrs. Denton Threat, \$608.86.

Passed to the files were Sun Distributing Co. vs. J.E. Cannavaro; Solimena of the Gulf Coast vs. Mr. and Mrs. Clifford Page; First National Bank of Jackson vs. J.F. Burdolph; John J. Sellars vs. Paul A. Moesri; Universal C.L.T. Credit Corp. vs. Gordon Switzer; H.M. Smith Engines Rebuilding vs. John Koenen, Jr., and W.E. McIntyre, Jr., trustees; vs. Julius Leader.

Judgments nisi were entered against two defendants, free on bond, who failed to appear. A \$1,500 judgment was made final against Anthony Charles LaDue, indicted in September for carrying and concealing deadly weapons. He had not shown up at the January term either.

The \$3,000 bond of Sherry L. Robinson, alias Sherry Lynette Gardner, also was involved in the huge house trailer parked for several weeks on the Courthouse grounds.

Theodore Jack, previously indicted on two charges of forgery, was ordered to stand trial here from Purchman where he is serving another sentence and will stand trial at the current term.

James Williams, 50-year-old local Negro, drew a 10-year term at Parchman after being found guilty by a Circuit Court jury last Wednesday in the death of man-slaughter in the death last October of Nathaniel Gillian, 28, also a Negro.

A defense motion to dismiss charges against him on the ground the state failed to show beyond reasonable doubt was overruled by Judge Leslie B. Grum after evidence was concluded. Arguments began at 5 p.m. and the jury got the case at 6 p.m. Within 35 minutes it was back with its manslaughter verdict and the judge fixed the 10-year term.

O.H. (Sonny) Mitchell, indicted several terms ago on a charge of false pretense involving less than \$25, pleaded guilty and drew six months in jail, four of them suspended on future good behavior. He is to make restitution in the amount.

Theodore Jack, previously indicted on two charges of forgery, was ordered to stand trial here from Purchman where he is serving another sentence and will stand trial at the current term.

The rest of the city is behind that area, he reported, but he hoped the business area would be complete in all respects in two or three weeks. He also said he sometimes had difficulty in getting the construction firms to cooperate in planning the order in which work was done and the giving of adequate notices to property owners.

Completed without prejudice were Hancock Bank vs. Mr. and Mrs. H.W. West; Hancock Bank vs. Farley Necale; compromised and dismissed were Indiana National Bank of Indianapolis vs. Farris M. Gregory; paid and dismissed were WNOE vs. T.P. McDonnell and Richard A. Parker vs. Foremost Insurance Co.

The plaintiff's motion for continuance was overruled by the court. The defense overruled a defense motion to strike the affidavit and testimony on grounds of non-residence in American Institute of Marketing Systems, Inc., from Page 4-A.

He also said he sometimes had difficulty in getting the construction firms to cooperate in planning the order in which work was done and the giving of adequate notices to property owners.

The Washington Street water tower, the engineer explained, should be tied into the system in about three weeks. On the sewer question, Edington stated, at least 75 per cent of the work had been completed and a larger amount so far as tying up the circuits was concerned.

Incidentally, it also turned out the contract completion time for the water system runs out this week. However, bad weather, particularly during February, would increase this time limit.

The first Hurricane Betsy insurance case goes before Hancock County jury resulted this week in a verdict for the full amount sought by the plaintiff but Judge Leslie B. Grant said he would grant a new trial if the defendant's requested it.

The case was Mr. and Mrs. H.A. Schulte vs. Firemen's Insurance Co. of Newark, N.J.

The Circuit Court trial got underway Monday morning and the plaintiff's counsel concluded its case shortly before the luncheon recess Tuesday. The jury got the case late Tuesday afternoon and returned its verdict for \$7,800 damages after deliberating about 20 minutes.

Defense attorneys promptly moved for a directed verdict. In overruling the motion, Judge Grant declared that "the court finds the verdict for the full amount against the overwhelming weight of evidence and would grant the defendants a new trial if requested."

The defense has until Friday to decide whether to seek a new trial or to appeal to the state supreme court.

Mr. and Mrs. Schulte had moved into their new home at Terrace and Waveland Beach about three months before Hurricane Betsy struck the Gulf Coast last September 10.

They sought to collect insurance on the dwelling and its contents.

Witnesses for the plaintiffs testified to high winds with very little turbulence of the water during the hurricane as their attorneys sought to show that damage was from wind and not water.

Taking the stand were Mr. and Mrs. John Thomas Hall, Delmer Wilcox, H.A. Torgersen, Bob Lucas, Walter Turcotte, Harry Van Antz, all of whom have property in that section of Waveland; Town Marshal Fred Bourgeois, Game Warden Pat Toomey, Mrs. Schulte and her daughter, Mrs. DiLucio; Lucien Raymond, local surveyor, and Mrs. J.R. Shadoin, local insurance agent.

The defense introduced two professional engineers from Biloxi, Perry Ransom and Ellis Alford; Henry Gries, former professor at Cornell University, and Bill Whitfield, local forestry businessman who asserted there was no tree damage.

The rest of the city is behind that area, he reported, but he hoped the business area would be complete in all respects in two or three weeks. Despite the fact that our area was referred to as drearily sporadic by a writer for a Canadian publication, something the counterpart of our This Week, in an article about Kate Reid, during the time she was here for filming This Property is Condemned, a resident of some year's standing describes it as the most cosmopolitan spot in which to have lived. Our friend from the 1000 for worth went on to mention Chinese Sea Lounge as the crumpled and friendliest bar he'd ever personalized. He added that Jack Sauerwein amazed him with stories of yellow dogging, explaining this as a wild game played by all residents to liven up their otherwise dreary existence. He was way off in describing what we've always heard of as red dogging; he's playing with his gun loaded with blanks, and now that we're this far off the original subject, back we explain the true nature of the practical joke which usually takes place in a remote area. A gentleman (?) pretends a friend a gay evening in the company of an attractive young lady whose husband is supposed to be out of town. When they arrive on the scene, they are greeted, not by an amorous female, but a supposedly irate husband holding a shotgun, this loaded with blanks. But from what we can gather, local residents have been much too occupied of recent years to engage in the sport.

## Our own world series

Bill Ford and Hop Carter, of Waveland, point out that in their town one may find someone who does or has done just about everything imaginable in the way of art, literature, travel, military and sea service and the like. They suggest we begin a series of features on some of these people, so we're open for suggestions?????

Let us forget, we're sorry to hear that Marie and Hop Carter will be leaving for Houston, Tex. next month, they have to leave the court, and will keep their Jeff Davis Avenue home for vacations now, and later retirement, but it's too large a promotion to turn down.

The travelling Cagdrons have returned from their most recent trip. They first visited daughter, Elsie, and husband, Warrent Officer W. L. Higgins, and family in San Antonio, Tex., then returned via Lafayette, La. where they visited Henry's brother and his wife, Mr. and Mrs. A. L. Cagdron.

Margie McCutchan was overjoyed upon receiving her latest gift from husband Bob. . . and no wonder—it's a good looking, brand new gold colored automobile.

## Middle east report

Our good friend Rev. Bertrand Eckert written from Egypt of seeing the Sphinx, Pyramids, the city built by Macao and the Red Sea on a five day trip through that country, but he's still home for a good old Waveland.

Ray Siefel, always giving his all for civil defence, came to the rescue of a lady in distress one night last week. She had run out of gas and there's nothing much more disturbing than that!

We're almost afraid to ask Warren Traub how he's feeling, as Johnny Siefel has joined the other city father, Cyril Glover, as a patient in Hancock General Hospital.

We also want to send a very special get well wish to Mrs. Saul Cuvas who suffered back and neck injuries in an automobile accident last week. Mrs. Cuvas was hurt as she protected her two year old grandson when their car was struck from behind.

## Food fads

By absolute default, as no one else around the Echo would accept the title, your new "food editor" will pass along the information that that fresh fruit flavored yogurt is now available in the Bay area. In case there's someone unfamiliar in the delights of this delicacy, we'll pass on the fascinating information that Mr. Webster in his book, described it most unapologetically, but interestingly, as a fermented liquor made from Turkish milk. The yogurt being distributed here, by Borden's Dairy, however, is of the Swiss variety and is more or less distributed in health bars along with grated carrots, sunflower seed, etc., except that it isn't confusing. Isn't it?? We sampled the strawberry and prune whip, and still haven't decided exactly what it tastes like, so you'll have to buy some at approximately 33¢ an eight ounce box and find out for yourselves. It's also cold in its natural form, which is what your "food editor" tasted somewhat like sour cream, which just happens to be one of our favorite dairy products.

## Around town

Friday night's gourmet dinner at the Yacht Club was apparently quite successful. The food delicious, drinks flowing. We hear that Rosemary McFarland was most fetching in an

all pink outfit—right on down to her shoes—Peggy Hespe's outfit was yellow, and our assistant reporter drifted off the subject before we could elicit anymore facts, uttore-wtical.

Incidentally Peggy is driving around in the most fascinating little automobile. . . there's a method in her madness, but the explanation is so wild, you'll have to get the facts from her.

Doctor, heel there!, our trusted spy reports that Dr. M. L. (Buddy) Dodson was somewhat less than sprightly last Monday a.m. after his extensive do-it-yourself yard cleanup over the weekend.

Both in the bakery are somewhat commanding, but Lee Lee Crox finds flying squirrel to anything but!

Incidentally Lee and seven guests and Dorothy Whitman were among those from here taking in the Pass Christian Junior Assembly sponsored bridge luncheon at the V.F.W. home on Friday.

He listed his prospective itinerary as a trip to Mexico City around the end of June, return to Brazil, then to Berlin, London, Paris and finally, London.

Visiting Louise and Joe Wyman in her sister, Mrs. D. Schlesin, here from Cleveland, Ohio. Mrs. Schlesin is the sister who was so seriously injured in an automobile late spring. She's still recuperating from a cracked hip. When she leaves the Wyman's, she'll visit another sister, Doris Gremmelt, and husband, Louis, in Gretna. Other recent guests of Louise and Joe were her son Gene Wadsworth, wife Paul, two daughters and Paul's parents, Mr. and Mrs. John Sprecher of Picayune, Pa.

## Gripe Corner

We have voted to once again make our annual plan to wednesday (not that it will do us down lot of good) to refrain from watching those heathenistic kids (or big boys) of ours along the screen. A neighbor reported spotting two on Central Avenue within the radius of only a block or two.

Vote (it's really O.K., except when it's Sun, and never mind explaining) Wednesday you would witness. First a very belated happy silicon wedding anniversary goes to Veda-Olga and husband, Jack, May 25, was the big day and he picked her with a lovely charm appropriately engraved, but the weather held well, so they postponed the celebration 'till Sunday, and dined at Hooters. She was given a get well wish as she entered Hancock General for tests and a much needed rest on Monday.

Another got well wish is on the way to Clarence Springer who owns a summer home in Bayou. Clarence, who had major surgery several months ago, was taken to a Crescent City hospital on Monday.

Terri and Dan Beach and daughter, Robin, spent their Sunday morning helping clean up one of their Coleman Ave. two apartments. They are still recuperating from other effects of their miserable accident last August. Eddie and early Monday morning they were caring Sunday with next-door neighbors Karen and Bill Head and daughter.

## Animal notes

One Bratley, the apple of McConnell's eye, has been "complaining" of an ear irritation, but her physician could find nothing to be causing the discomfort. . . . perhaps it's a dog-eared?????

Zeph (Mrs. Ken) Wadsworth is number one get well soon list. . . . with underwent surgery in a Crescent City hospital last week.

## Fishing news

Those are having one day and spending both the next. Eddie Vayard had quite a day catching one of his famous plugs last week. . . . he caught big spots and blue gill, too. Catching fish is not good on days when the winds blow and keeps the tide high up on the marsh.

## Rinkeydinks

Again we hasn't seen an obituary. What card is being sent out... they read, roughly "I am a Hinduist. . . . In case of emergency please contact our physician, Dr. Bob Alford." What's this we hear about

SECTION 21. Permits to be valid for one (1) year. All permits issued by the Commission shall expire on each June 30, and no permit shall be issued for a period longer than one (1) year. Each permit shall state the name of the permittee, the address on the premises for which granted and the date of its expiration. All permits issued under this act shall at all times be prominently displayed on the premises for which issued.

SECTION 22. Permit renewals. Any permittee may renew his permit at the expiration thereof for an additional term of one (1) year, provided he is then qualified to receive a permit and the premises for which the renewal is sought are suitable for such purposes, and provided further that the renewal privilege herein provided for shall not be construed as a vested right. Provided, however, that no "on-premises" retailer's permit shall be renewed at the expiration thereof for any "hotel" or "restaurant" under this act unless the Commission is satisfied that the holder thereof is engaged in a legitimate restaurant business and that the food sales in such business exceed the alcoholic beverage sales during the previous year or such applicant for renewal furnishes satisfactory proof to the Commission that food sales did exceed alcoholic beverage sales during such preceding year.

SECTION 23. Qualification of applicants. Before a permit is issued the Commission shall satisfy itself:

(1) That the applicant, if an individual, or if a partnership, each of the members of the partnership, or, if a corporation, each of its principal officers and directors is of good moral character and, in addition, enjoys a reputation of being a peaceable, law-abiding citizen of the community in which he resides, and is generally fit for the trust to be reposed in him, is a citizen of the United States and a resident of the State of Mississippi for at least five (5) years, not less than twenty-one (21) years of age and has not been convicted of a felony in any State or Federal court.

(2) That, except in the case of an application for a solicitor's permit, the applicant is the true and actual owner of the business for which the permit is desired, and that he intends to carry on the business authorized for himself and not as the agent of any other person, and that he intends to superintend in person the management of said business, or that he will designate a manager to manage the business for him, such manager must be approved by the Commission and must possess all of the qualifications required of a permittee.

(3) That an applicant for a wholesale or retail permit, if an individual, or if a partnership, each member of the partnership, or, if a corporation, the designated manager is a resident of the State of Mississippi and has been such a resident for five (5) years prior to the filing of such application.

(4) That the place for which the permit is to be issued is an appropriate one considering the character of the premises and the surrounding neighborhood.

(5) That the place for which the permit is to be issued is within the corporate limits of an incorporated municipality or qualified resort area or club which comes within the provisions of this act.

(6) That the application is not intended to the State for any taxes, fees or payment of penalties imposed by any act of the State of Mississippi or by any rule or regulation of the Commission.

(7) That the applicant is not in the habit of using alcoholic beverages to excess and is not physically or mentally impaired, and that the applicant has the ability to read and write the English language.

(8) That the Commission does not believe and has no reason to believe that the applicant will sell or knowingly permit any person to serve or employ to unlawfully sell liquor to the dry areas in any other manner contrary to law.

(9) That the applicant is not financially connected with any person whose permit or license has been cancelled or cause within the twelve (12) months next preceding the date of the present application for a permit.

(10) That the Commission has no objection to the exercise of its discretion to accept beverages delivered upon call,

receive, or make use of any money, gift, sign or display furnished by any such person, or become indebted to such person except for the purchase of alcoholic beverages. Any person violating the provisions of this section shall, upon conviction, be punished by a fine of not more than Five Thousand Dollars (\$5,000.00) or by imprisonment for not more than two (2) years, or by both such fine and imprisonment, in the discretion of the court. Retail permittees may hold more than one (1) retail permit of the discretion of the Commission.

SECTION 27. Credit to retailers. No alcoholic beverage shall be sold by any wholesaler to any retailer, nor shall any retailer purchase any alcoholic beverage, except for cash. Each delivery of any alcoholic beverage to a retail permittee shall be accompanied by an invoice of sale or delivery slip which shall bear as date the date of delivery of such alcoholic beverage.

SECTION 28. Suspension and revocation of permits. The Commission may revoke or suspend any permit issued by it for a violation by the permittee of any of the provisions of this act or of the regulations promulgated under it by the Commission. However, no permit shall be revoked except after a hearing by the Commission with reasonable notice to the permittee and an opportunity for him to appear and defend. Permits must be revoked or suspended for the following causes:

(1) Conviction of the permittee for the violation of any of the provisions of this act, (2) willful failure or refusal by any permittee to comply with any of the provisions of this act or of any rule or regulation adopted pursuant thereto, (3) the making of any materially false statement in any application for permit, (4) two (2) or more convictions of one or more of the clerks, agents or all costs shall be imprisoned for not less than five (5) or of any violation of this act more than thirty (30) days in upon the premises covered by such permit within a period of two (2) years, (5) the possession on the premises of any retail permittee of any alcoholic beverages upon which the tax has not been paid, (6) the willful failure of any permittee to keep the records or make the reports required by this act, or to allow an inspection of such records by any duly authorized person, (7) the suspension or revocation of a permit issued to the permittee by the Federal Government, or conviction relating to alcoholic beverages, (8) the failure to furnish any bond required by this act within fifteen (15) days after notice from the Commission, and (9) the conducting of any form of gambling on the premises of any permittee or on any premises connected therewith or the presence on any such premises of any gambling device with the knowledge of the permittee.

SECTION 29. Compliance with Federal statutes. No person holding any permit issued under the provisions of this act shall engage in any business or activity authorized by such permit unless such person shall qualify so as to comply with all statutes of the United States of America, and all regulations issued pursuant thereto, which are applicable or shall pertain to such business or activity, and shall continue to do so qualified at all times while engaging in such business or activity. As a prerequisite to the issuance of any permit under this act, the applicant shall first obtain the required Federal Occupational Stamp for the type of business for which the permit has been approved by the Commission.

SECTION 30. Records and reports. Every manufacturer within or without the State and every other shipper of alcoholic beverages who sells any such such within the State, shall at the time of making such sale, file with the Commission a copy of the invoice of such sale showing in detail the kind of alcoholic beverage sold, the quantity of such, the size of the container, the weight of the contents, the alcoholic content, and the name and address of the person to whom sold.

Every person transacting alcoholic beverages within this State to a point within this State, whether such transaction originates within or without this State, shall within five (5) days after delivery of such shipment, furnish the Commission a copy of the bill of lading or receipt showing the name of consignor or consignee, date of shipment, destination, and quantity of alcoholic

beverages as are herein set forth, or furnish any information which is necessary to enable the Commission to make an investigation of such permittee.

SECTION 31. Sales to minors prohibited. Any permittee or other person who shall sell, furnish, dispense or give, or cause to be sold, furnished, dispensed or given, any alcoholic beverage to any person under the age of twenty-one (21) years shall be guilty of a misdemeanor and shall be fined by a fine of not less than Fifty Dollars (\$50.00) for each offense.

violating the provisions of this section, such person shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined by a fine of not less than Fifty Dollars (\$50.00) for each offense.

No holder of a package retailer's permit shall violate any of the provisions of this section shall be guilty of a misdemeanor and upon conviction thereof shall be fined by a fine of not less than Fifty Dollars (\$50.00) for each offense.

SECTION 34. Injunction relief. In addition to any other rights and remedies which it may have, the Commission, in the name of the chairman thereof, shall have the right to resort to and apply for injunctive relief, both temporary and permanent in any court of competent jurisdiction to enforce compliance with the provisions of this act and to restrain and prevent violations and threatened violations hereof. The Attorney General, district attorney

and all county attorneys of the State shall aid and assist the Commission in all such actions which may be taken by the chairman to do so.

SECTION 35. Act not applicable until approved at election in county. ## Knock-Knock tourney

## draws local big 10

"Men, they're the cream of the crop."

That's what Frank Tropiano says about the 10 championship softball teams he has lined up for the annual Knock-Knock softball tournament slated for Saturday, May 28, in St. Francisville Stadium.

Although Bank of Picayune and Anthony drew top seeding respectively, Port's Den is the team to watch. The Foxes won the first two local tournaments this year, tying Southern Realty by one point in the finals each time.

Frank said there will be food and drink at the rings at the all-day affair and daughter Jamie chipped in with "men, we've got more than players."

On the menu are barbecue pot and chicken, hamburgers, hot dogs, potato salad, muffins, cold drinks, pony rides and moonwalks.

Schedule for the upper bracket is 9 a.m., Southern Realty

vs. Cochran-Perris; 10 a.m., M & L of Picayune vs. the third-place Constructors; 1 p.m., Bank of Picayune, which drew a bye, vs. winner of first game; 3 p.m., finale.

Entrance bracket: 11 a.m., Port's Den vs. St. John's; 12 noon, Chancery vs. Super Tire Mart; 2 p.m., Anthony, which drew a bye, vs. winner of first game; 3 p.m., finale.

At 5 p.m., winners of each bracket will clinch \$100. John's Southern Realty squad will be gunning for another check at Port's Den.

## Game commission sets seasons, bag limits

Daily bag limit on quail has been upped from eight to 10 according to tentative 1966-67 bag limits and open seasons on game set at a meeting of the Mississippi Game and Fish Commission May 18 in its offices at Jackson.

The season for squirrel has not been set pending action by the state Legislature on a bill that would make the season uniform in counties throughout the state.

Following are the seasons and limits set by the commission with all dates inclusive.

Bobwhite quail: Dec. 1, 1966, through Feb. 18, 1967; 10 per day; 20 in possession; wild turkey: Hancock County, March 25 - April 22, 1967; one gobbler per day; two per season. Baiting, feeding and hunting tur-

keys with dogs, live decoys or electrically or mechanically-operated calling or sound reproducing devices are prohibited by regulation of the commission.

Deer: Hancock County, Nov. 19 - Dec. 1, 1966; Dec. 26, 1966 through Jan. 11, 1967; dogs allowed; managed deer hunting: Wolf River Wildlife Management Area, Nov. 19; Nov. 21 - 26; Nov. 28 - Dec. 1; Dec. 26 - 31, 1966; Jan. 2 - 7 and Jan. 9 - 11, 1967. Dogs allowed but no Sunday hunting.

Archery seasons on deer: Oct. 20 - Nov. 3 and Nov. 5 - 18, 1966, for hunting deer with longbow only in all areas open for deer hunting. Longbow may be used during open seasons for hunting deer with guns. No dogs allowed for hunting deer during archery seasons. Crossbow, sidearms and all firearms prohibited while hunting deer during archery season. Bag limit: special archery seasons, one deer of either sex per season.

Gun seasons, one buck with antlers more than 4 inches long per season. No more than three deer per license year may be taken in any combination of special archery and gun seasons.

Opossums and raccoons may be run with dogs by licensed hunters throughout the year in all counties. May be taken for food without a gun in all counties from Oct. 1 through Nov. 19, 1966. May be taken with dogs and gun in all counties from Nov. 20, 1966, through Jan. 31, 1967.

Black bear: no open season. Foxes are classified as predatory animals and there is no closed season. Mink, raccoon, opossum, skunk, muskrat, weasel and otter may be trapped by licensed trappers from Dec. 1, 1966, through Jan. 31, 1967, except that the season for trapping muskrat shall be Dec. 1, 1966, through March 1, 1967.

In the finale, the Jaycees beat Hancock Bank, 11-1, behind the two-hit twirling of D. Worrell. P. Kingman went the route and was charged with the loss.

The Jaycees scored two in the second, six in the fourth and three in the fifth. Hancock Bank's sole run came in the fourth when Kingman was hit by a pitched ball, advanced to second when Chapman walked and scored on Rutherford's single. Goodwin connected for a recoupling triple for the winners in the second inning.

Wednesday's schedule was Riemann's Fobey-Whitfield vs. Gulf National Bank, and Jaycees vs. Merchants Bank. Friday, Fobey-Whitfield vs. Industrial Electric, and Gulf National vs. Hancock Bank. Monday, Hancock Bank vs. Fobey-Whitfield, and Gulf National vs. Industrial.

## Two 4-0 teams to meet June 1

Playing close-out ball in the second and third innings but started a come-back in the fourth scoring one run when Bobby Boudin singled and scored on Harry Mond's single. But it was Chateau Seu, 7-4.

Trapani ended two more in the fifth on singles. Morreale, Hinck and Turzard were scoreless in the ninth and won in the seventh scoring two. For the Knock-Knocks, Hinck was two for three, Seymour 1-2, Turzard, 2-4, Almeida 4-4, Murphy 1-2, Rhodas 1-3, Boudin, 1-2, Henry Mond, 1-3.

But by this time next week the standings will have undergone another shake-up as the two unknown leaders, Trapani and Southern Reality are scheduled to clash in the first game Wednesday, June 1, and only one team can walk off the field victorious.

Of course, Trapani has to get by Industrial Enameling and Southern Reality are scheduled Friday.

Sunday, Trapani, Chateau Seu, 7, and Monday, Chateau Seu 21, Longworth 0; Anthony 28, Pearlington Barber.

Going into the top half of the second inning it was Trapani 3, Chateau Seu 0 but the back of-toe boys exploded and blazed seven runs on eight hits before the third man was out.

First man up was Stacy Strong who grounded out, second to first. Then Larry Favre, Mike Strong, Paul Smith and Donald Strong each singled. Larry Johnson and Jim Mayrig were safe on errors and with the bases loaded Beagle Dean rolled one over the right field wall for a ground rule single. Danny Krankey was on a grounder to short but Ronnie Murphy blazed a double and scored on Donald Strong's single. Johnson ended the fireworks when he grounded out and that was all the scoring by Chateau Seu for the evening.
